

## Tangled Up in Love

Keith Urban

You know the cards are stacked against this  
As we surrender our defenses  
And I've torn down all my fences just for you  
And you feel it too  
What do we do  
Do we run or see it through

The longer we're together  
It just keeps gettin' better  
And you hide your little love letters  
Around the house for me  
And it's plain to see  
That you'll always be all I'll ever need  
The webs we spun  
Wove into one  
And left us tangled up in love

You squeeze my hand I understand  
About a woman and a man  
I love the way you make me feel  
You got me tangled up in love  
The webs we spun  
Wove into one  
Left us tangled up in love

[Repeat Chorus]
