You Look Good in My Shirt

Keith Urban

When you walked up behind me and covered my eyes And whispered in my ear, guess who I rattled off names like I really didn't know But all along I knew it was you

And, the longer we talked, the more we laughed And wondered why we didn't last It had been a long time, but later last night Baby, we caught up real fast

And maybe it's a little too early
To know if this is gonna work
All I know is you're sure looking
Good in my shirt
That's right
You look good in my shirt

Well now I'm not saying that we solved overnight Every way that we went wrong Oh, but what I'm seeing I'd sure love seeing Every morning from now on

And maybe it's a little too early To know if this is gonna work All I know is you're sure looking Good in my shirt

C'mon now
Aww that's right
Oh you look so fine

And maybe it's a little too early To know if this is gonna work All I know is you're sure looking Good in my shirt

And maybe it's a little too early
To know if this is gonna work
All I know is you're sure looking
Good in my shirt
You look good in my shirt
You look good in my shirt
