Honky Tonk Heart

Keith Whitley

Hey, I still got a honky-tonk heart I still drink a beer or two while leanin' on the bar When I'm steppin' out with you, I'm a two-stepping fool Hey I still got a honky-tonk heart

Honey, yeah this is me and I'm a-callin' from work to see If my sweet little sugar wants to go out dancin' tonight I've been cooped up in this big high rise And I'm so glad it's Friday night I can't wait for the thrill of the music and the neon lights

Hey, I still got a honky-tonk heart I still drink a beer or two while leanin' on the bar When I'm steppin' out with you, I'm a two-stepping fool Hey I still got a honky-tonk heart

Ain't nothin' like a Texas mood Twin fiddles and an old saloon And cowboys whirlin' girls around the floor Yeah we'll be talking all night long There's no such thing as too much fun I guarantee we'll be the last ones out the door

Hey, I still got a honky-tonk heart I still drink a beer or two while leanin' on the bar When I'm steppin' out with you, I'm a two-stepping fool Hey I still got a honky-tonk heart

Yeah I still got a honky-tonk heart
