

# Living Like There's No Tomorrow

Keith Whitley

You said I'd live to regret it  
I said, "I'll die before I do."  
Now the pain is gonna kill me if I let it  
Has it been a lifetime  
Since I walked out on you?  
I've been runnin' with my life wide open  
Reaching out for whatever's in sight  
But living like there's no tomorrow  
Finally got to me tonight

You told me someday I'd be sorry  
Now I feel every word come true  
And one thing I've learned in a hurry  
Freedom is a prison for a fool

Dialing our old number wasn't easy  
It's been hard to admit, you're right.  
And living like there's no tomorrow  
Finally got to me tonight.

I've been runnin' with my life wide open  
Reaching out for whatever's in sight.  
But living like there's no tomorrow
