

## Talk To Me Texas

Keith Whitley

Well it's lonely out tonight down here in Georgia  
And the oldest friend I've got I met today  
The woman that I love just up and left me  
And the place I love's a thousand miles away.

Operator hook me up to Houston  
Get me anybody on the phone  
Look there in your book and pick a number  
Cause you can't be choosy when you're this alone

Won't you talk to me Texas?  
Let me hear that drawl  
I spent my last five dollars on this one long distance call  
Wont you talk to me Texas  
I've got these homesick blues  
Tell me I can come on home to you

I've got this faded number in my wallet  
It's been here a dozen years I know  
I used to call it up when I was lonely  
Oh that woman sure could love me so

I know by now she's probably changed her number  
And with my luck she's probably changed her name  
If there's a chance in hell ill think ill take it  
Cause Id love to hear that woman's voice again

Won't you talk to me Texas?  
Let me hear that drawl  
I spent my last five dollars on this one long distance call  
Wont you talk to me Texas  
I've got these homesick blues  
Tell me I can come on home to you

Won't you talk to me Texas?  
Let me hear that drawl  
I spent my last five dollars on this one long distance call  
Wont you talk to me Texas  
I've got these homesick blues  
Tell me I can come on home to you

Hey tell me I can come on home to you!
