Well it's lonely out tonight down here in Georgia And the oldest friend I've got I met today
The woman that I love just up and left me
And the place I love's a thousand miles away.

Operator hook me up to Houston

Get me anybody on the phone

Look there in your book and pick a number

Cause you can't be choosy when you're this alone

Won't you talk to me Texas?

Let me hear that drawl

I spent my last five dollars on this one long distance call

Wont you talk to me Texas

I've got these homesick blues

Tell me I can come on home to you

I've got this faded number in my wallet It's been here a dozen years I know I used to call it up when I was lonely Oh that woman sure could love me so

I know by now she's probably changed her number And with my luck she's probably changed her name If there's a chance in hell ill think ill take it Cause Id love to hear that woman's voice again

Won't you talk to me Texas?

Let me hear that drawl

I spent my last five dollars on this one long distance call

Wont you talk to me Texas

I've got these homesick blues

Tell me I can come on home to you

Won't you talk to me Texas?

Let me hear that drawl

I spent my last five dollars on this one long distance call

Wont you talk to me Texas

I've got these homesick blues

Tell me I can come on home to you

Hey tell me I can come on home to you!
