

When You Say Nothing At All

Keith Whitley

Its amazing how you can speak right to my heart
Without saying a word, you can light up the dark
Try as I may I could never explain,
What I hear when you don't say a thing

The smile on your face lets me know that you need me
there's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me if ever I fall
You say it best when you say nothing at all

All day long I can hear people talking out loud
But when you hold me near, you drown out the crowd
Old Mr. Webster could never define
what's being said between your heart and mine

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me if ever I fall
You say it best when you say nothing at all

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me

The touch of your hand says you'll catch me if ever I fall

You say it best when you say nothing at all
