

Best Of It

Keke Palmer

I collected the pieces
Of a broken hearted
Packed it away
For the bad memories

I decided to let go
That going forward
Let bygones be bygones
'Cause life's way too short

That it takes too much to hate
Loving comes so easily
Give and let it go
'Cause everybody knows

You only got one life to live
So make the best of it
Life's a funny thing
So make the best of it

Even when things don't go
Your way just know
You gotta make the best of it
Make the best of it

Best of it
Best of it
Best of it
Best of it

I still believe in
You and me ends
Even though sometimes
We cause dissappointments

They say it's better
To have loved and lost
Then to never have loved at all
Wouldn't you agree
Open up your heart and see

That it takes too much to hate
Loving comes easily
Give and let it go
'Cause everybody knows

You only got one life to live
So make the best of it
Life's a funny thing
So make the best of it

Even when things don't go
Your way just know
You gotta make the best of it
Make the best of it

Best of it

I used to feel like something's always holding me down
Looking in the mirror no one else is around
Me ,myself and I had to figure it out
What's wrong
'Cause I was always standing in my own way
Letting things like keep control
Take a hold of me
Now I'm free, now I'm free

(2x):

You only got one life to live
So make the best of it
Life's a funny thing
So make the best of it

Even when things don't go
Your way just know
You gotta make the best of it
Make the best of it
Best of it
Best of it
Best of it
Best of it
