

Break Up Season

Keke Palmer

If you want me to go, I will go
And I'll give you time to think about what
But you just said to me
But if you tell me to leave, I will leave
And I'll ride with that, fight down the misery
I love you, farewell

My heart's broken into pieces
Guess I wasn't ready for break up season
He didn't have a reason
He just rather see me leave
Goodbye, goodbye, goodbye, goodbye
Farewell, farewell, goodbye
... break up season, ... the break up season, whoa

If I wanted to stay, could I please
And stand right beside you, laughing happily
Just like we used to be
If you ... go, just let me be
Don't lead me on you know that's wrong
Cause I'd be at your front door
Lifting up the mat, looking for the key

My heart's broken into pieces
Guess I wasn't ready for break up season
He didn't have a reason
He just rather see me leave
Goodbye, goodbye, goodbye, goodbye
Farewell, farewell, goodbye
... break up season, ... the break up season, whoa

I saw the signs but I didn't wanna see the truth
The clouds were thin and I know it was cause of you
Eventually every thing must come to an end
I didn't know that today
I'd be your ex-girlfriend

My heart's broken into pieces
Guess I wasn't ready for break up season
He didn't have a reason
He just rather see me leave
Goodbye, goodbye, goodbye, goodbye
Farewell, farewell, goodbye
... break up season, ... the break up season, whoa X 2
