

# Get Out My Head

Keke Palmer

If I had a dollar for everytime I think of you  
I would be rich  
Wish I had control of the way that I feel for you  
It's never and never enough  
Sometimes I wish I wasn't stuck on you  
cause you got me all twisted  
Sometimes I feel like such a fool  
It's like I can't do nothing without you

Why you do me this way  
I'm going insane  
Day and night you're on my brain  
You do me this way  
don' want it to change  
but sometimes it's just too much

Get out my head  
You know you got me  
thinkin about you all the time  
Get out my head  
I don't know what to do  
Can't get you off my mind

Get out my head  
Get out my head  
Get out my head  
I'm begging you now  
Get out my head  
Get out my head  
Get out my head  
Get out my head

You know I usually try to play it cool  
but with you it ain't the same  
Boy you know you're stuck in my brian like glue  
No matter what I do  
I can't get you off my mind  
Sometimes I wish I wasn't stuck on you  
cause you got me all twisted  
Sometimes I feel like such a fool  
It's like I can't do nothing without you

Why you do me this way  
I'm going insane  
Day and night you're on my brain  
You do me this way  
don' want it to change  
but sometimes it's just too much

Get out my head  
You know you got me  
thinkin about you all the time  
Get out my head  
I don't know what to do  
Can't get you off my mind

Get out my head

Get out my head  
Get out my head  
I'm begging you now  
Get out my head  
Get out my head  
Get out my head  
Get out my head

I see your face  
everytime I close my eyes  
I lie awake  
Can't concentrate on anything  
cause everything reminds me of you

Nothing I can do now  
cause you're a part of me  
It's a battle I can't win  
cause you've got all of me  
you're like the phone  
always ringing in my head  
that's calling me to you

Why you do me this way  
I'm going insane  
Day and night you're on my brain  
You do me this way  
don' want it to change  
but sometimes it's just too much

Get out my head  
You know you got me  
thinkin about you all the time  
Get out my head  
I don't know what to do  
Can't get you off my mind

Get out my head  
Get out my head  
Get out my head  
I'm begging you now  
Get out my head  
Get out my head  
Get out my head  
Get out my head
