

# I Can't Sleep At Night

Keke Palmer

Why's it always gotta be this way  
I'm seeing shadows on the things you say  
But never make good once they will change same stories, acting differently

I give up and I won't lie  
I sit there looking at the time  
Didn't want you to leave, you had to go  
Too bad the pain doesn't follow

I can't sleep at night  
Knowing that you ain't right by  
I can't, I can't sleep at night  
Tonight I was right, just want you by my side

I can't sleep at night  
Knowing that you ain't right by  
Cause when it's all over  
You're what my heart's beating for

Where's the fire if we never break through  
What's trust if we never be true  
Wonder if you're ever feeling that  
Do you toss and turn?  
You can love me too

Cause I give up and I won't lie  
I sit there looking at the time  
Didn't want you to leave, you had to go  
Too bad the pain doesn't follow

I can't sleep at night  
Knowing that you ain't right by  
I can't, I can't sleep at night  
Tonight I was right, just want you by my side

I can't sleep at night  
Knowing that you ain't right by  
Cause when it's all over  
You're what my heart's beating for

I can't sleep at night  
Knowing that you ain't right by  
I can't, I can't sleep at night  
Tonight I was right, just want you by my side

I can't sleep at night  
Knowing that you ain't right by  
Cause when it's all over  
You're what my heart's beating for
