

Keke's Love

Keke Palmer

Sitting up at night and
Im wonderin why my fairytail
cant become a reality.
everything i've seen,
seems so out of reach
maybe its just that impossible.

Wheres my knight and shining armor to save me
Feels like Ive been waiting so long.
Can you hear me calling out for u baby
Take my hand and make me the one.

Since forever I have known.
That the rockets stand alone.
I am waiting on that one.
That i can call my own.
When i wait in my sleep
I can only think one thing.
Wheres my jay-z looking for Beyonce?
Prince charming looking for a same thing?

Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?

All i really want is a guy
That can hold me down for real.
One who understands how i feel.
And that knows how to
Make me smile when i feel down.
One who wipes my tears away.
When they come falling down.
Knows just what to say.
When no one else is around.

Wheres my knight and shining armor to save me
Feels like Ive been waiting so long.
Can you hear me calling out for u baby
Take my hand and make me the one.

Since forever I have known.
That the rockets stand alone.
I am waiting on that one.
That i can call my own.
When i wait in my sleep
I can only think one thing.
Wheres my jay-z looking for Beyonce?
Prince charming looking for a same thing?

Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?
Will i ever-ever-ever find that keke love?

The bigger they are
The harder they fall

I must to be small
Cause I aint fallin at all
They say love conquers anything
Why wont you come
Here and conquer me
I never find, I walk around
With my eyes closed
In lovers time, I wait around
Til the clock strokes
Cause I want it, I need it, gotta have it
Its hard to breath without it
Cause I want it, I need it, gotta have it
L - O - L - O - L - O - L - O

Since forever I have known.
That the rockets stand alone.
I am waiting on that one.
That i can call my own.
When i wait in my sleep
I can only think one thing.
Wheres my jay-z looking for Beyonce?

Will i ever-ever-ever find that keke love?
