Man In The Mirror

Keke Palmer

I'm gonna make a change, For once in my life It's gonna feel real good, Gonna make a difference Gonna make it right...

As I, turn up the collar on My favorite winter coat This wind is blowin' my mind I see the kids in the street, With not enough to eat Who am I, to be blind? Pretending not to see their need A summer's disregard, A broken bottle top And a one man's soul They follow each other on The wind you know 'Cause they got nowhere to go That's why I want you to know

I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you wanna make the world a better place Take a look at yourself, and then make a change (Na na na, na na na, na na, na nah)

I've been a victim of A selfish kind of love It's time that I realize There are some with no home, Not a nickel to loan Could it be really me, Pretending that they're not alone? A willow deeply scarred, Somebody's broken heart And a washed-out dream (A washed-out dream) They follow the pattern of The wind, you see Cause they got no place to be That's why I'm starting with me

I'm starting with the man in the mirror (Ooh!) I'm asking him to change his ways (Ooh!) And no message could have been any clearer If you wanna make the world a better place Take a look at yourself and then make a change

I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you wanna make the world a better place Take a look at yourself and then make that... Change!

I'm starting with the man in the mirror, (Oh yeah!) I'm asking him to change his ways (Better change!) No message could have been any clearer (If you wanna make the world a better place Take a look at yourself and then make the change You gotta get it right, while you got the time 'Cause if you close your heart Then you close your...) Mind! Starting with the man in the mirror (Oh yeah!) I'm asking him to change

(Better change!)
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
Na na na, na na na, na na, na nah
(Oh yeah!)
Na na na, na na na, na na, na nah
I'm gonna make a change
For once in my life
I'm gonna make a change
For once in my life...
