

# Melody for Cheaters

Keke Palmer

I was in love  
So deep in love  
He had my heart  
And scarred it up  
Then came the lies  
Excuses oh my gosh buying off  
Every time he talks  
Thinks I'm a fool  
I got him fooled  
The script was flipped  
He broke the rules  
Chewing his lies  
Pitiful oh my gosh  
What the  
I think I had enough

Ever been in this situation  
In my room playing all his cases  
One ear in and out the other  
Tune him out  
Clear out the plan and sing along  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
It's the melody for cheaters custom made ring tone

He's begging me  
Down on his knees  
His heart he forced  
I still ignore  
You kick and scream  
He's still going oh my gosh buying off  
Every time he talks

Ever been in this situation  
In my room playing all his cases  
One ear in and out the other  
Tune him out  
Clear out the plan and sing along  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
It's the melody for cheaters custom made ring tone  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
It's the melody for cheaters custom made ring tone

don't you hate it when they lie  
Try try to denie  
Bout all they've done  
I don't hear it  
But waste your energy and time  
Better yet all your time  
Stop it now  
Ooooohhh  
Can't believe the audacity of he to come at me

So weak I'll make this brief  
What was meant to hurt me  
Only caused his defeat  
So now listen to your melody

Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
It's the melody for cheaters custom made ring tone  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
Ba da di dum dum da da dum da dum  
It's the melody for cheaters custom made ring tone  
Ooohhh oooohhhh oooohhhh  
Ahhhh ahhhh ahh  
Ooohhh oooohhhh oooohhhh
