

## New Boyfriend

Keke Palmer

Got no time to waste  
while you build evidence for your case  
Im going out alone tonight  
Boy wipe that grin off your face.  
Say you dont like my attitude.  
Baddest, custom made for you.  
Im heading out the door real soon.  
Consider this an I.O.U.

I came here looking for a brand new boyfriend.  
Cause the other one gets on my nerves.  
I came here looking for a brand new boyfriend.  
Cause the other one acts like a jerk.  
You want me, Im ready. I like what I see.  
Im not desperate, but Im on the edge of my seat.  
My boyfriend's probaly wondering  
So why dont you go tell him  
That tonight I gotta new boyfriend.

Oh, Huh (oooh)  
Oh, Huh.

Your so in to playing games  
But Im the queen of his heart.  
Im going out to find somebody  
Who better play the part.  
You had the chance to shine with me.  
Be the guy you said you'd be  
But now Its time for you to leave.  
Im not listening.
