

# True To Your Heart

Keke Palmer

Baby, I knew at once that you were meant for me  
Deep in my soul I know that your my destiny  
Though you're unsure why fight the tide  
Don't think so much, let your heart decide

Baby, I see your future and it's tied to mine  
I look in your eyes and see you searching for a sign  
But you'll never fall till you let go  
Don't be so scared of what you don't know

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me

Someone ya know is on your side, can set you free  
I can do that for you if you believe in my  
Why second-guess what feels so right  
Just trust your heart  
And you'll see the light

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me

You know its true  
Your heart knows what's good for you  
You know its true  
It'll see you through

Boy, my heart is driving me to where you are  
You can take both hands off the wheel and still get far  
Be swept away  
Enjoy the ride  
You won't get lost  
With your heart to guide you

True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
To me to me  
I know it's gonna lead you straight to me  
I know it's gonna lead you straight to me

Yeah
