

Wake Up Call

Keke Palmer

Hey, just givin' you a wake up call
ha ha ha ha ha ha ha ha

I'm giving you a wake up call
Wake up, wake up
Just to say that I love you
And that I'm thinking of you
Lettin' you know that you got friends

I'm giving you a wake up call (Oh)
Wake up, wake up
It's a beautiful day
Don't let it slip away
And live it like it's the first day
Of the rest of your li-ife

Just stopping by
To let you know what's up
Give you a courtesy what you're doin'
I got somewhere to go today
I wanted to know if you would come and have fun with me

I know you have lots of plans
But we can hang with friends
Just wanna chill with you
So what'cha gonna do? (Do?)
Baby, it's up to you (Ooh)

I'm giving you a wake up call
Wake up, wake up
Just to say that I love you
And that I'm thinking of you
Lettin' you know that you got friends

I'm giving you a wake up call (Oh)
Wake up, wake up
It's a beautiful day
Don't let it slip away
And live it like it's the first day
Of the rest of your li-ife

Wake up, wake up
Wake up, wake up

It's me and my friends
At the crib, eatin' pizza
Coolin' it down while we watch a movie
Don't need no moms and dads
We got it covered
Cause we know exactly what we're doin'

You don't wanna miss out
Hanging out all alone
While we're havin' a party
Home alone we shot
So here's an invitation

I'm giving you a wake up call
Wake up, wake up
Just to say that I love you
And I'm thinking of you
Lettin' you know that you got friends

I'm giving you a wake up call
Wake up, wake up
It's a beautiful day
Don't let it slip away
And live it like it's the first day
Of the rest of your li-ife

Wake Up, wake up

Yeah, yeah

You know it's party time
I'm hanging up behind
It's the party of the year
I'm so glad it's mine
Ladies drive through
Fellas come too
You see the videos
You know what I'm about to do
Set the bigger fire
Got the bigger wire
Got'cha singing like the Harlem boys' church choir
Yeah, you know what's up
I see you gettin' buck
But before we get started,
You gotta wake up

I'm giving you a wake up call
Wake up, wake up
Just to say that I love you
And that I'm thinking of you
Lettin' you know that you've got friends

I'm giving you a wake up call (Oh)
Wake up, wake up
It's a beautiful day
Don't let it slip away
And live it like it's the first day
Of the rest of your li-ife

Wake up, wake up
Yeah, yeah

I'm giving you a wake up call, yeah

Wake up, wake up
