

# Got Me One (Good Man)

KeKe Wyatt

Never had one always wanted one good man  
Just like every girl around the world wants a good man  
So we hold on cos we know hes out there  
Taking so long but I know hes out there

Seems like every man I talk to me  
Dont know nothing bout nothing  
I dont mind being from the streets  
But he gotta treat me like something  
But now its algood  
Everythings algood

I finally got me one  
Found the special one  
Thought I'd never find  
Search my whole life for  
Someone who needs me as much as I need them  
& someone who treats me as good as I treat them  
So I'm gone keep this one  
I'm telling you he loves me  
He loves me ohh  
Finally got me one

I be fussing I be trippin'on this good man  
But then I catch myself cos I know he is a good man  
He dont boss much but he boss up when he got to  
I dont cost much but he when he got to yeaahh

Now everytime my girls talk to me  
I dont gotta worry bout nothing  
I dont mind him beign from the streets  
Cos he only treat me like something  
& its so good  
It feels so good  
Everythings all good
