Got Me One (Good Man)

KeKe Wyatt

Never had one always wanted one good man Just like every girl around the world wants a good man So we hold on cos we know hes out there Taking so long but I know hes out there

Seems like every man I talk to me Dont know nothing bout nothing I dont mind being from the streets But he gotta treat me like something But now its algood Everythings algood

I finally got me one Found the special one Thought I'd never find Search my whole life for Someone who needs me as much as I need them & someone who treats me as good as I treat them So I'm gone keep this one I'm telling you he loves me He loves me ohh Finally got me one

I be fussing I be trippin'on this good man But then I catch myself cos I know he is a good man He dont boss much but he boss up when he got to I dont cost much but he when he got to yeaahh

Now everytime my girls talk to me I dont gotta worry bout nothing I dont mind him beign from the streets Cos he only treat me like something & its so good It feels so good Everythings all good

I finally got me one (finally done got me one) Found that special one (oh so special) Thought id never find (ohh) Search my whole life for (for) Someone who needs me (needs me yeah) as much as I need them (need them) & someone who treats me as good as I treat them So I'm gone keep this one (this one) I'm telling you he loves me He loves me ohh

So now I (I) wont (wont) Have to search no more (I aint gonna search anymore) Baby cos he (he yeah) is everything I'm looking for You know how to love me You know how to lay it down Everytime I need it Its a celebration deep appreciation Oh let me tell you its so good ohhhh

I finally got me one Found that special one (got me one, got me one, got me one) Thought id never find (I'd never find) Search my whole life for (search my whole life for yeaah, yeahh, yeahhh) Someone who needs me as much as I need them & someone who treasts me as good as I treat them So I'm gone keep this one (I'm gonna keep this one) I'm telling you he loves me (loves me) He loves me ohh (ohh) Finally got me one (got me one yeahh)
