

Light Me Up

KeKe Wyatt

Darling, when I look into your eyes
The love I see can't be denied
Oh baby, you are so fine
I am glad to know that you are mine, yeah

You make me feel like flower
I need a shower, so baby, rain on me
Every minute, every hour
Never knew that love can make my world so complete

Ever since you came my way
I've never seen a brighter day
When I see your face
All I can see is you

You're like the sun in the middle of day
You light me up, you light me up, babe
Every moment's like summer, you're my everything
You light me up, you light me up, babe

You light me up, you light my, light me up
You light me up, you light my, light me up

Sugar, your lips so sweet
Like morning dew is to the spring, yeah
And baby, what you do to me
You got my skin craving your heat, hey

You make me feel like flower
I need a shower, so baby, rain on me
Every minute, every hour
Never knew that love can make my world so complete

Ever since you came my way
I've never seen a brighter day
When I see your face
All I can see is you

You're like the sun in the middle of day
You light me up, you light me up, babe
Every moment's like summer, you're my everything
You light me up, you light me up, babe

You light me up, you light my, light me up
You light me up, you light my, light me up

Light me up

You're like the sun in the middle of day
You light me up, you light me up, babe
Every moment's like summer, you're my everything
You light me up, you light me up, babe

You light me up, you light my, light me up
You light me up, you light my, light me up

Oh baby, you light me

You light me up
