## Mirror

**KeKe Wyatt** 

Look me in my eyes mirror Cuz I've seen that look before Tell me whats inside mirror Cuz we both agreed no more We were so close to getting over him Now you're telling me we're going back Again - in How could you Betray me And take My heart back through that door Oh mirror Please tell me We both deserve so much more How could you Oh Mirror What Pleases you is hurting me Tell me mirror How could it be Oooh Look into my eyes mirror Can't believe the things he said See through his disguise Mirror Come with me, Lets run away We were so close to getting over him Now you're telling me We're going back again How could you Betray me And take My heart back through that door Oh mirror Please tell me We both deserve so much more How could you Oh Mirror What Pleases you Keeps hurting me Tell me mirror There's no way new love can find us If we keep looking behind us No More Heartache That ain't the way loves supposed to be There's no way new love can find us If we keep looking behind us So this time mirror Listen to me

How could you Betray me And take My heart back through that door

Oh mirror Please tell me We both deserve so much more

How could you Oh Mirror What Pleases you Keeps hurting me Tell me mirror Oh ooo ohh

How could you Oh Mirror What pleases you keeps hurting me Tell Me Mirror
