

# Nothing In This World

KeKe Wyatt

Ooh, yeah, oooh, yeah, yeah

I can picture us in the living room  
by the mantle piece  
and you're telling me you're loving me  
with your hands on my thighs  
while I'm staring in your brown eyes  
and the expression on your face  
is telling me you want more than a taste  
so tonight we're going all the way  
we'll be loving till the break of day

There's nothing in this world I wouldn't do for you boy  
I don't care what the others say now that I got you babe  
No one can bring me joy like you girl  
All the little things you do  
Its all about you boo

I can picture us running in the rain  
After a movie then we spark a flame  
Oh I love it when you scream my name  
Going 60 in the 3rd lane  
We pull over to the parking lot  
In the Park that's my favorite spot  
Doing just about anything  
We'll be going till the birds sing

I think its bout time that I make you mine  
Oh what your saying to me boy come on break it down  
To find another like you will be a lifetime  
I think I see where you're going baby let it out let it out  
Listen to me baby got something to say  
Is it really what I think don't take all day  
Forever is what I wanna give to you so what do you say  
Baby I do

[Chorus 2x]
