

# Without You

KeKe Wyatt

I was a fool for taking it out on you  
There's nothing I wouldn't do to make it up to you  
One conversation baby that's all I ask  
We can work this thing out it really ain't all that bad  
See I was wrong for what I did all those nasty things I said  
I was trying to pay you back for making me so mad  
So if my soul my heart I beat  
Will you help me on my feet  
And I promise you I'll never fall again

I don't wanna live without you  
I don't wanna be without you  
I got nothing to give without you  
Cause I don't wanna breathe without you  
I don't wanna love without you  
I think I'm giving up without you  
I know I can't go another day... without you

I stay locked in my room I don't go out no more  
I keep hoping it's you that's knocking on my door  
I'm not sleeping too well I've not had a meal in days  
See baby I need your help what is it gonna take  
I would give my soul my breath if you just meet me at end  
So that I can tell you all the things you need to hear  
And I swear to tell the truth cause I never lie to you  
Let's get back to making love like lovers do

I don't wanna live without you  
I don't wanna be without you  
I got nothing to give without you  
Cause I don't wanna breathe without you  
I don't wanna cry without you  
I think I'm gonna die without you  
I know I can't go another day... without you

Loneliness is what I'll forever breathe  
Only if U decide to rescue me  
Show me the way to get back to your heart  
And I'll travel down that road no matter how far  
Where ever you are

I don't wanna live without you  
I don't wanna be without you  
I got nothing to give without you  
Cause I don't wanna breathe without you

I don't wanna love without you  
I think I'm giving up without you  
I know I can't go another day... without you

I don't wanna live without you  
I don't wanna be without you  
I got nothing to give without you  
Cause I don't wanna breathe without you

I don't wanna live  
I don't wanna live

I dont wanna live without you  
I dont wanna be without you
