

# Goodbye Horses

Kele

You told me, I see the rise  
But, it always falls  
I see them come, I see them go  
He said, "All things pass into the night"  
And I said, "Oh no sir I must say you're wrong  
I must disagree, oh no sir, I must say you're wrong"  
Won't you listen to me

You told me, I've seen it all before  
I been there, I've seen my hopes and dreams  
Lying on the ground

I've seen the sky just begin to fall  
He said, "All things pass into the night"  
And I say, "Oh no sir, I must say you're wrong  
I must disagree, oh no sir, I must say you're wrong"  
Won't you listen to me

(2x)

Good-bye horses, I'm flying over you  
Good-bye horses, I'm flying over you  
Good-bye horses, I'm flying over you  
Good-bye horses, I'm flying, flying, flying over you
