Kelis

What is this?  
I have no idea  
Okay welcome, follow come in okay single file, watch your step,  
Welcome to Kelis's world  
You've entered?  
Don't touch that!...

Yesterday, we were born  
We took your stereos by storm  
In just one day,  
Through all the scorn and the hate we'll penetrate your homes and domes  
With just one take  
And now we're here let the games begin  
Get ready, start, let's play  
We'll win this race

This is the new beginning  
The empire strikes back  
Learn from losing  
Cherish winning  
Forever  
Star Trak
