

# Love Handles

Keller Williams

I'm packing love  
I got it hanging off of me  
It comes from above  
I keep it down inside of me  
It comes in different shapes and sizes  
Lack of willpower, compromises  
Lack of exercises  
I'm packing love

So if you a hand hold  
Baby you can take hold  
Of my love handles  
Of my love handles  
If you need to get your love on  
Baby you can grab on  
To my love handles  
To my love handles

I'm packing love  
I don't think its a bad thing  
Well it keeps me warm in the winter  
It makes me sweat in the spring  
Its a double chin, love  
I have grown to accept it  
I love the sweet taste of sweet tasting love  
Its so easy to digest it

So if you a hand hold  
Baby you can take hold  
Of my love handles  
Of my love handles  
If you need to get your love on  
Baby you can grab on  
To my love handles  
To my love handles

Well the man on the TV tells me  
I got so much love I could stand to lose some  
So I change the channel  
How could I survive  
Without the sweet taste of love?  
Up the river without a paddle

I'm packing the love  
I got enough to go around  
I've got so much in the country  
I don't ever have to go to town

It comes in different shapes and sizes  
Lack of willpower compromises  
Lack of exercises  
I'm packing the love

So if you need a hand hold  
Baby you can take hold  
Of my love handles  
My love handles

If you need to get your love on  
Baby you can grab on  
To my love handles  
My love handles  
More of me to love
