

Inferno High Love

Kelli Ali

high
love
high love
high love

we got telepathy
psychic T.V.
in our eyes

we got a cobra kiss
we're cosmic kids
in disguise

high love
my inferno high love
my eternal high love
my inferno high, high, love

'cos the prettiest thing in the whole wide world
is a girl and a boy
keep dancing
hear the butterfly sing
feel reality swirl
for a boy and a girl
in love

I don't worry about a thing
he's my spirit king
I'm his voodoo queen

we speak in tongues
dance like Egyptians
know what I mean

high love
my inferno high love
my eternal high love
my inferno high, high, love

'cos the prettiest thing in the whole wide world
is a girl and a boy
keep dancing
hear the butterfly sing
feel reality swirl
for a boy and a girl
in love

fever...fever...fever
fever...fever...fever

'cos the prettiest thing in the whole wide world
is a girl and a boy
keep dancing
hear the butterfly sing
feel reality swirl
for a boy and a girl
in love

high love
my inferno high love
my eternal high love
my inferno high, high, love

high love
my inferno high love
my eternal high love
my inferno high, high, love...
