

# Love's Funny That Way

Kellie Coffey

There's no king when love is the thing, we play the same rules  
In a heartbeat a wise man can be a fool  
There's no guarantee that love will be a stranger or a friend  
A prayer that's answered or a heartache that never ends

And through the darkest hour  
When all is said and done  
It has the power  
You go from lonely to the lucky one

Love's funny that way  
No matter who you are  
Well it can shake your faith  
Or it can break your heart

Once in a while the mountains move  
We all long for those days  
When you live, you laugh, you say  
Love's funny that way, yeah

Not long ago I got to know the lonely side  
Just me and my pain and nowhere to hide  
And it amazes me how my world turned around  
And if it's meant to be that's all that matters to me, any how

Love's funny that way  
No matter who you are  
Well it can shake your faith  
Or it can break your heart, yeah, yeah

Once in a while the mountains move  
We all long for those days  
When you live, you laugh, you say  
Love's funny that way  
Love's funny that way

Once in a while the mountains move  
We all long for those days  
So when you don't understand  
Best you leave it in love's hands  
Just live, laugh and say  
Love's, love's funny that way

Love's funny that way, yeah, yeah, yeah  
Love's funny that way  
It's so funny, funny
