

# Best Days Of Your Life

Kellie Pickler

'Cause I'll be there in the back of your mind  
From the day we met 'til you were making me cry  
And it's just too bad you already had the best days  
The best days of your life

Ain't it a shame  
A shame that every time you hear my name  
Brought up in a casual conversation  
You can't think straight?

And ain't it sad  
You can't forget about what we had?  
Take a look at her and do you like what you see  
Or do you wish it was me?

I'll be there in the back of your mind  
From the day we met to the very last night  
And it's just too bad you already had the best days  
The best days of your life

And does she know  
Know about the times you used to hold me  
Wrapped me in your arms and how you told me  
I'd be the only one?

I heard about  
Yeah, someone told me once when you were out  
She went a little crazy, ran her mouth about me  
Ain't jealousy funny?

'Cause I'll be there in the back of your mind  
From the day we met to the very last night  
And it's just too bad you already had the best days  
The best days of your

Life with me was a fairytale love  
I was head over heels 'til you threw away us  
And it's just too bad you already had the best days  
The best days of your life

I heard you're gonna get married, have a nice little family  
Live out my dreams with someone new  
But I've been told that a cheater is always a cheater  
So I've got my pride and she's got you

'Cause I'll be there in the back of your mind  
From the day we met 'til you were making me cry  
And it's just too bad you already had the best days  
The best days of your life

Of your life, oh, oh yeah  
You're gonna think of me  
You're gonna think of me in your life  
Oh, oh yeah

It's a shame, it's a shame  
it's a shame, it's a shame, it's a shame, it's a shame
