

# Didn't You Know How Much I Loved You

Kellie Pickler

I remember the way you made love to me  
Like I was all you'd ever need  
Did you change your mind  
Well I didn't change mine  
Now here I am trying to make sense of it all  
We were best friends now we don't even talk  
You broke my heart  
Ripped my world apart

Didn't you know how much I loved you  
Didn't you know how much I loved you, baby  
I gave you everything, every part of me  
Didn't you feel it when I touched you  
Didn't I rock you when I loved you, baby  
Baby, tell me  
Didn't you know how much I loved you

I can't get you out of my head  
I still feel you in this bed  
Left me all alone  
You couldn't be more gone  
From falling apart to fighting mad  
From wanting you back to not giving a damn  
I've felt it all  
I've been to the wall

Didn't you know how much I loved you  
Didn't you know how much I loved you, baby  
I gave you everything, every part of me  
Didn't you feel it when I touched you  
Didn't I rock you when I loved you, baby  
Baby, tell me  
Didn't you know how much I loved you

One day justice will come and find you  
And I'll be right there in your memory to remind you

Didn't you know how much I loved you  
Didn't you know how much I loved you, baby  
I gave you everything, every part of me  
Didn't you feel it when I touched you  
Didn't I rock you when I loved you, baby  
Baby, tell me

Didn't you know how much I loved you  
Didn't you know how much I loved you, baby  
I gave you everything, every part of me  
Didn't you feel it when I touched you  
Didn't I rock you when I loved you, baby  
Baby, tell me  
I gave you everything, every part of me
