

I'm On My Way

Kellie Pickler

I've felt the power of forgiveness
I know that life can let you down
I'm not blind
No, I don't need a witness
To tell me there's angels all around

My eyes have seen more than they want to
My heart has scars that run so deep
There's tears that I've had to let go
And there's dreams I told myself I'd keep

Now I don't give up easy
I've got many miles to go
But I can't wait to get to
What I see down this road
And all my life I've learned to
Just take it day by day
I'm not there yet
But I know I'm on my way

I've looked out the window
When there's no hope in sight
But I swear I heard a whisper
Said it would be worth the fight

So I woke up one morning
And I put my fears aside
Now look how far I've come
From the back of an endless line

I still got lessons to be learned
There's a choice at every turn
Someone out there cleared a path
And there's no turning back

And all my life I've learned to
Just take it day by day
I'm not there yet
But I know I'm on my way
I'm not there yet
But I know I'm on my way
Baby, I'm on my way
On my way
