

# Somebody To Love Me

Kellie Pickler

Sometimes the night seems so long  
When you lie in bed all alone  
And tomorrow seems so far away  
I don't wanna live another day this way

Scared to let someone in  
Can't bear to get hurt again  
But my body needs to feel a touch  
Someone come and wake me up

I just want somebody to love me  
I just need somebody to hold me  
Somebody to love me

Don't wanna let life pass me by  
Never knowing what it's like  
To be as real as real can be  
To share my life and know my dreams

I just want somebody to love me  
And I just need somebody to hold me  
Somebody to love me

'Cause I'm hurt and I'm scared and I'm lonely  
All I want is somebody to want me  
'Cause I've got so much to give

I just want somebody to love me  
I just need somebody to hold me  
Somebody to love me
