

Something To Talk About

Kellie Pickler

People are talkin', talkin' 'bout people
I hear them whisper, you won't believe it
They think we're lovers kept under cover
I just ignore it but they keep sayin' we
Laugh just a little too loud,
Stand just a little too close,
We stare just a little too long.
Maybe they're seein' somethin' we don't darlin'

Let's give 'em somethin' to talk about
(Somethin' to talk about)
Let's give 'em somethin' to talk about
(Somethin' to talk about)
Let's give 'em somethin' to talk about
How about love?

Let's give 'em somethin' to talk about babe,
A little mystery to figure out.
Let's give 'em somethin' to talk about,
How about love? Looooove, loooooove!

Let's give 'em somethin' to talk about
(Somethin' to talk about)
Let's give 'em somethin' to talk about
(Somethin' to talk about)
Let's give 'em somethin' to talk about
How about love? Looooove, loooooove!
