## **Suds In The Bucket**

## **Kellie Pickler**

She was in the backyard saying it was a little past nine When her prince pulled up, a white pickup truck
She stuck a note on the screen door "sorry but I got to go"
That was all she wrote, her mamma's heart was broke

She's got her pretty little bare feet hangin' out the window And they're headin' up to Vegas tonight

How could 18 years just up and walk away

Our little pony tailed girl growed up to be a woman

Now she's gone in the blink of an eye

She left the suds in the bucket and the clothes

Hangin' out on the line

She left the suds in the bucket and the clothes

Hangin' out on the line

Plenty old enough, and you can't stop love No you can't fence time, and you can't stop love
