Kelly Clarkson

It's like your a drug  
It's like your a demon I can't face down  
It's like I'm stunned  
It's like I'm running from you all the time  
And I know I let you have all powers like  
The only company I see is misery all around  
It's like your a leech  
Sucking the life from me  
It's like I can't breathe  
Without you inside of me  
And I know I let you have all the power  
And I realize I'm not gonna quit you over time

It's like I can't breathe  
It's like I can't see anything  
Nothing but you  
I'm addicted to you  
It's like I can't think  
Without you in  
You're haunting me  
In my thoughts  
In my dreams  
You're taking over me

It's like I'm not me  
It's like I'm not me

I'm hooked on you  
I need a fix  
I can't take it  
Just one more hit  
I promise I can do with it  
I'll handle then quit it  
Just one more time then that's it  
Just don't let open  
But you'll get me through this
