

Already Gone

Kelly Clarkson

1. Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye
Even with our fists held high
It never would've worked out right
We were never meant for do or die

I didn't want us to burn out
I didn't come here to hold you
Now I can't stop

R: I want you to know that it doesn't matter where we take this road
Someone's gotta go
I want you to know you couldn't have loved me better
But I want you to move on
So I'm already gone

2. Looking at you makes it harder
But I know that you'll find another
that doesn't always make you want to cry
Started with a perfect kiss then
we could feel the poison set in
Perfect couldn't keep this love alive

You know that I love you so I
love you enough
to let you go

R: I want you to know...

I'm already gone
Already gone
You can't make it feel right when you know that it's wrong
I'm already gone
Already gone
There's no moving on
So I'm already gone
