

# Already Gone

Kelly Clarkson

1. Remember all the things we wanted  
Now all our memories, they're haunted  
We were always meant to say goodbye  
Even with our fists held high  
It never would've worked out right  
We were never meant for do or die

I didn't want us to burn out  
I didn't come here to hold you  
Now I can't stop

R: I want you to know that it doesn't matter where we take this road  
Someone's gotta go  
I want you to know you couldn't have loved me better  
But I want you to move on  
So I'm already gone

2. Looking at you makes it harder  
But I know that you'll find another  
that doesn't always make you want to cry  
Started with a perfect kiss then  
we could feel the poison set in  
Perfect couldn't keep this love alive

You know that I love you so I  
love you enough  
to let you go

R: I want you to know...

I'm already gone  
Already gone  
You can't make it feel right when you know that it's wrong  
I'm already gone  
Already gone  
There's no moving on  
So I'm already gone
