1. Remember all the things we wanted Now all our memories, they're haunted We were always meant to say goodbye Even with our fists held high It never would've worked out right We were never meant for do or die

I didn't want us to burn out I didn't come here to hold you Now I can't stop

- R: I want you to know that it doesn't matter where we take this road Someone's gotta go
 I want you to know you couldn't have loved me better
 But I want you to move on
 So I'm already gone
- 2. Looking at you makes it harder But I know that you'll find another that doesn't always make you want to cry Started with a perfect kiss then we could feel the poison set in Perfect couldn't keep this love alive

You know that I love you so I love you enough to let you go

R: I want you to know...

I'm already gone
Already gone
You can't make it feel right when you know that it's wrong
I'm already gone
Already gone
There's no moving on
So I'm already gone

*: Remember all the things we wanted Now all our memories, they're haunted We were always meant to say goodbye
