

Breakaway

Kelly Clarkson

Da da da n da da, Da da da n da da
Da da da n da da da da

1. Grew up in a small town
And when the rain would fall down
I'd just stare out my window
Dreaming of what could be
And if I'd end up happy
I would pray

2. Trying hard to reach out
But when I tried to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I'd pray
I could break away

R: I'll spread my wings and I'll learn how to fly.
I'll do what it takes till I touch the sky.
Make a wish, take a chance,
Make a change, and break away.
Out of the darkness and into the sun.
But I won't forget all the ones that I love.
I'll take a risk, take a chance,
Make a change, and break away

Da da da n da da, Da da da n da da
Da da da n da da da da

3. Wanna feel the warm breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on a jetplane
Far away
And break away

R: I'll spread my wings...

*: Buildings with a hundred floors
Swinging with revolving doors
Maybe I don't know where they'll take me
Gotta keep movin on movin on
Fly away
Break away

R: I'll spread my wings and I'll learn how to fly.
Though it's not easy to tell you goodbye
Make a wish, take a chance,
Make a change, and break away.
Out of the darkness and into the sun.
But I won't forget the place I come from
I gotta take a risk, take a chance,
Make a change, and break away
Break away
Break away
