

# Dark Side

Kelly Clarkson

There's a place that I know  
It's not pretty there and few have ever gone  
If I show it to you now  
Will it make you run away

Or will you stay  
Even if it hurts  
Even if I try to push you out  
Will you return?  
And remind me who I really am  
Please remind me who I really am

Everybody's got a dark side  
Do you love me?  
Can you love mine?  
Nobody's a picture perfect  
But we're worth it  
You know that we're worth it  
Will you love me?  
Even with my dark side?

Like a diamond  
From black dust  
It's hard to know  
It can become  
If you give up  
So don't give up on me  
Please remind me who I really am

Everybody's got a dark side  
Do you love me?  
Can you love mine?  
Nobody's a picture perfect  
But we're worth it  
You know that we're worth it  
Will you love me?  
Even with my dark side?

Don't run away  
Don't run away  
Just tell me that you will stay  
Promise me you will stay  
Don't run away  
Don't run away  
Just promise me you will stay  
Promise me you will stay

Will you love me? Ohh  
Everybody's got a dark side  
Do you love me?  
Can you love mine?  
Nobody's a picture perfect  
But we're worth it  
You know that we're worth it  
Will you love me?  
Even with my dark side?
