It's over, it's over, it's over: It seems you can't hear me When I open my mouth you never listen You say stay, but what does that mean Do you think I honestly want to be reminded forever Don't waste your time trying to fix What I want to erase What I need to forget Don't waste your time on me my friend Friend, what does that even mean I don't want your hand You'll only pull me down So save your breath Don't waste your song On me, on me Don't waste your time It's not easy not answering Every time I want to talk to you But I can't If you only knew the hell I put myself through Replaying memories in my head of you and I Every night Don't waste your time trying to fix What I want to erase What I need to forget Don't waste your time on me my friend Friend, what does that even mean I don't want your hand You'll only pull me down So save your breath Don't waste your song On me, on me Don't waste your time You're callin' You're talkin' You're tryin' Tryin' to get in But it's over, it's over, it's over Don't waste your time trying to fix it So save your breath, don't waste your song On me, on me Don't waste your time You held me You felt me You left me But it's over, it's over, it's over You touched me You had me But it's over, it's over, it's over my friend
