

# Hear Me

Kelly Clarkson

Hear me  
Hear me

You gotta be out there  
You gotta be somewhere  
Wherever you are  
I'm waiting  
'Cause there are these nights when  
I sing myself to sleep  
And I'm hopin' my dreams  
Bring you close to me  
Are you listening?

Hear me  
I'm cryin' out  
I'm ready now  
Turn my world upside down  
Find me  
I'm lost inside the crowd  
It's getting loud  
I need you to see  
I'm screaming for you to please  
Hear me  
Hear me

Hear me  
Can you hear me?  
Hear me

I used to be scared of  
Letting someone in  
But it gets so lonely  
Being on my own  
No one to talk to  
And no one to hold me  
I'm not always strong  
Oh, I need you here  
Are you listening?

Hear me  
I'm cryin' out  
I'm ready now  
Turn my world upside down  
Find me  
I'm lost inside the crowd  
It's getting loud  
I need you to see  
I'm screaming for you to please  
Hear me

I'm restless and wild  
I fall, but I try  
I need someone to understand  
Can you hear me?  
I'm lost in my thoughts  
And baby I've fought  
For all that I've got

Can you hear me?

Hear me

I'm cryin' out

I'm ready now

Turn my world upside down

Find me

I'm lost inside the crowd

It's getting loud

I need you to see

I'm screaming for you to please

Hear me

Hear me

Hear me

Hear me

Can you hear me?

Hear me

Hear me

Hear me

Can you hear me?

Oh, oh, oh, oh...

Hear me

Hear me

Hear me
