

# Hole

Kelly Clarkson

Tired  
Everything around me  
I smile  
I don't feel a thing no

I'm so far from where I need to be  
I've given up on faith, on everything  
All I want, all I need  
Is some peace

[Chorus:]  
There's a hole  
Inside of me  
It's so cold  
Slowly killing me

Secrets  
Eating at the core of me  
Shut off  
Trusting all the lies I breathe

I'm so far from where I need to be  
I've given up on faith, on everything  
All I wanted, all I needed  
Was some peace

There's a hole  
Inside of me  
It's so damn cold  
Slowly killing me

Sinking ever so slowly  
So far from where I should be  
No hands reaching out for me  
Help me, help me

Something's gone  
I can feel it  
It's all wrong  
I'm so sick of this  
Yeah

[Chorus 2x]
