

Love So Soft

Kelly Clarkson

Yeah
Every kiss is a door
Can I knock on yours?
Can we knock a little more?
If a touch is a keep
Keep on twisting, keep on locking, keep on turning me

Let me in
I wanna be closer to you, let you under my skin
If I let you in
You gotta be careful with it
Let me tell you again, hey

Love so soft, you ain't had nothing softer
Break it then you buy it and it sure gonna cost ya
Love so soft that you can't rub off
You gon' love it if you try it
Got you hooked, now you're caught up
Love so soft, so soft
Love so soft, so soft

If a thought was the truth
We'd be doing all the kinds of things I know you wanna do
But I need, need to know (need to know)
Will you protect me, respect me if I let you close?

Let (oh, let) me in (let me in, let me in)
I wanna be closer to you, let you under my skin
If I let (if I let) you in (let you in, let you in)
You gotta be careful with it
Let me tell you again, hey

Love so soft, you ain't had nothing softer
Break it then you buy it and it sure gonna cost ya
Love so soft that you can't rub off
You gon' love it if you try it
Got you hooked, hey you're caught up
Love so soft, so soft
Love so soft, so soft

If you want this love, got to hold it tight
Never let it go, baby, let it give you life (give you life)
If you want this love, got to hold it tight
Never let it go, baby, let it give you life

Love so soft, you ain't had nothing softer (you ain't had, you ain't had)
Break it then you buy it and it sure gonna cost ya
Love so soft that you can't rub off
You gon' love it if you try it
Got you hooked, now you're caught up

If you want this love (if you want), got to hold it tight (if you want)
(Love so soft, so soft)
Never let it go, baby (no)
(Love so soft, so soft)
Love so soft
Love so soft

If you want this love, got to hold it tight
Never let it go, baby
Love, love, love
Love, love, love
If you want it, baby
So soft, yeah...
