

# Miss Independent

Kelly Clarkson

1. Miss independent, miss self-sufficient,  
miss keep your distance  
Miss unafraid, miss out of my way,  
Miss don't let a man interfere  
Miss on her own, miss almost grown,  
Miss never let a man help her off her throne  
So by keeping her heart protected  
She never ever feel rejected  
Little miss apprehensive, said ooo, she feel in love

R: What is this feeling taking over  
Thinking no one can open the door  
Surprise, it's time, to feel what's real  
What happened to miss independence  
No longer needs to be defensive  
Good-bye old you, when love is true

2. Misguided heart, miss play it smart,  
Miss if you want to use that line you better not start  
But she's miscalculated, she didn't want to end up jaded  
And this miss decided not to miss out on true love  
So by changing a misconception,  
she went in a new direction  
And found inside she felt a connection, she fell in love

R: What is this feeling...

\*: When miss independent walked away,  
No time for love that came her way  
She looked in the mirror and thought today  
What happened to miss no longer afraid  
It took some time for her to see  
How beautiful love could truly be  
No more talk of why can't that be me  
I'm so glade I have finally seen

R: What is this feeling...
