We come into this world unknown
But know that we are not alone
They try and knock us down
But change is coming, it's our time now

Hey... everybody loses it, Everybody wants to throw it all away sometimes And hey... yeah I know what you're going through Don't let it get the best of you, you'll make it out alive Oh

People like us, we've gotta stick together Keep your head up, nothing lasts forever Here's to the damned, to the lost and forgotten It's hard to get high when you're living on the bottom

Oh whoa oh oh whoa oh We are all misfits living in a world on fire Oh whoa oh oh whoa oh Sing it for the people like us, the people like us

Hey, this is not a funeral It's a revolution, after all your tears have turned to rage Just wait, everything will be okay Even when you're feeling like it's going down in flames Oh

People like us, we've gotta stick together Keep your head up nothing lasts forever Here's to the damned, to the lost and forgotten It's hard to get high when you're living on the bottom

Oh whoa oh oh whoa oh
We are all misfits living in a world on fire
Oh whoa oh oh whoa oh
Sing it for the people like us, the people like us

Oh whoa oh oh whoa oh You've just gotta turn it up loud when the flames get higher Oh whoa oh oh whoa oh Sing it for the people like us, the people like us

They can't do nothing to you, they can't do nothing to me
This is the life that we choose, this is the life that we bleed
So throw your fists in the air, come out, come out if you dare
Tonight we're gonna change forever

Everybody loses it, everybody wants to throw it all away sometimes  $\operatorname{Oh}$ 

People like us, we've gotta stick together Keep your head up nothing lasts forever Here's to the damned, to the lost and forgotten It's hard to get high when you're living on the bottom

Oh whoa oh oh whoa oh We are all misfits living in a world on fire Oh whoa oh oh whoa oh Sing it for the people like us, the people like us

Oh whoa oh oh whoa oh You've just got to turn it up loud when the flames get higher Oh whoa oh oh whoa oh Sing it for the people like us, the people like us

Oh whoa oh oh whoa oh We're all misfits living in a world on fire Oh whoa oh oh whoa oh Sing it for the people like us, the people like us

Oh whoa oh oh whoa oh You've just got to turn it up loud when the flames get higher Oh whoa oh oh whoa oh Sing it for the people like us, the people like us
