Please Come Home for Christmas (Bells Will Be Ringing)

Kelly Clarkson

Bells will be ringing the glad, glad news Oh what a Christmas to have the blues My baby's gone I have no friends To wish me greetings once again

Choirs will be singing silent night Those Christmas carols by candlelight Please come home for Christmas Please come home for Christmas If not for Christmas by new year's night

Friends and relations send salutations Just as sure as the stars shine above This is Christmas, Christmas my dear The time of year to be with the one that you love

Then won't you tell me, you'll never more roam Christmas and new year will find you at home There'll be no more sorrow, no grief or pain Cause I'll be happy that it's Christmas once again.

Then won't you tell me, you'll never more, you'll never more ro am Christmas and new year will find you at home There'll be no more sorrow, no grief or pain Cause I'll be happy that it's Christmas once again.
