

That I Would Be Good

Kelly Clarkson

That I would be good even if I did nothing,
That I would be good even if I got the thumbs down,
That I would be good if I got and stayed sick,
That I would be good even if I gained ten pounds.

That I would be fine even if I went bankrupt,
That I would be good if I lost my hair and my youth,
That I would be great if I was no longer queen,
That I would be grand if I was not all knowing.

That I would be loved even when I'm numb myself,
That I would be good even when I am overwhelmed,
That I would be good even if I was fuming,
That I would be loved even if I was clingy.

But you know that I can use somebody
And you know that I can use somebody,
You know that I can use somebody,
You know that I can use somebody,

I've been roaming around, always looking down
and all I see
because you know that I can use somebody.

That I would be good even if I lost sanity
That I would be good whether with or without you.
