

# Walk Away

Kelly Clarkson

1. You've got your mother and your brother, every other  
Under cover telling you what to say  
You think I'm stupid  
But the truth is, that it's Cupid  
Baby, loving you has made me this way

X1: So before you point your finger  
Get your hands off of my trigger  
You need to know this situations getting old  
And now the more you talk, the less I can take

R: I'm looking for attention, not another question  
Should you stay or should you go?  
Well, if you don't have the answer, why you still standing here?  
Hey, Hey, Hey, Hey, Just walk away

2. I waited here for you like a kid waiting after school  
So tell me how come you never showed  
I gave you everything and never asked for anything  
And look at me, I'm all alone  
So before you start defending, baby  
Stop all your pretending

X2: I know you know I know  
So what's the point in being slow,  
"Let's get this show on the road today"

R: I'm looking for attention...

\*: I want a love, I want a fire  
To feel the burn, My desires  
I want a man by my side, ot a boy who runs and hides  
Are you going to fight for me, Die for me  
Live and breathe for me  
Do you care for me? Cause if you don't then just leave

R: I'm looking for attention... (2x)
