

# You Found Me

Kelly Clarkson

Is this a dream?  
If it is  
Please don't wake me from this high  
I've become comfortably numb  
Until you opened up my eyes  
To what it's like  
When everything's right  
I can't believe

You found me  
When no one else was lookin'  
How did you know just where I would be?  
Yeah, you broke through  
All of my confusion  
The ups and the downs  
And you still didn't leave  
I guess that you saw what nobody could see  
You found me  
You found me

So, here we are  
That's pretty far  
When you think of where we've been  
No going back  
I'm fading out  
All that has faded me within  
You're by my side  
Now everything's fine  
I can't believe

You found me  
When no one else was lookin'  
How did you know just where I would be?  
Yeah, you broke through  
All of my confusion  
The ups and the downs  
And you still didn't leave  
I guess that you saw what nobody could see  
You found me  
You found me

And I was hiding  
'Til you came along  
And showed me where I belong  
You found me  
You found me  
When no one else was lookin'  
How did you know?  
How did you know?

You found me  
When no one else was lookin'  
How did you know just where I would be?  
Yeah, you broke through  
All of my confusion  
The ups and the downs  
And you still didn't leave

I guess that you saw what nobody could see  
You found me

(You found me)  
(When no one else was lookin')  
You found me  
(How did you know just where I would be?)  
You broke through  
All of my confusion  
The ups and the downs  
And you still didn't leave  
I guess that you saw what nobody could see  
The good and the bad  
And the things in between  
You found me  
You found me
